Consultant travel tips Vol. 22 #1, May 1995

We found a trick to keep your suit and shirt from wrinkling in a suitcase. Put your suit and each shirt in a separate dry cleaner polyethylene bag, before hanging it in the suitcase. If possible, keep suitcase out of very high temperatures. It is unbelievable how wrinkle-free this will keep your clothes.

Fire safety – Keep a small pen light on the hotel nightstand next to your bed.
